**Lacerte Technologies Selects Wischmeyer Benefit Partners
to Manage Employee Benefit Program**

Dallas, November 9, 2005 – Wischmeyer Benefit Partners, a Dallas-based agency that provides individuals and companies with employee benefit services, announced today that the firm has been selected by Lacerte Technologies to manage the company’s employee benefit needs.

“Wischmeyer Benefit Partners currently partners with us to implement our ExponentHR software, which provided us a background on their exceptional customer service and deep-rooted provider relationships,” said Mark Portner, Lacerte Technologies chief operational officer. “The employee benefit services at Wischmeyer Benefit Partners directly meet our business needs, as well as the needs of our employees.”

“Many of our clients utilize Lacerte’s tools and we are proud to extend our established services to them with our employee benefit offerings. We are proud to be the resource chosen to facilitate the company’s employee benefit needs,” said Mark Wischmeyer, principal of Wischmeyer Benefit Partners.

Using Wischmeyer Benefit Partners services, Lacerte Technologies can align group health and group dental with employee requirements. Lacerte Technologies aims to leverage the knowledge and relationships forged by Wischmeyer Benefit Partners in a continuous improvement initiative.

About Lacerte Technologies

Lacerte combines world class service with Web-based technology to transform traditional payroll processing, human resource and benefits administration into a powerful business system that drives profitability. Lacerte products and services provide companies with a durable competitive advantage through improved operational efficiency, scalable operations and accelerated growth which helps clients grow their businesses.
